Mike Mignola : B.P.R.D. Hell on Earth Volume 3: Russia before purchasing it in order to gauge whether or not it would be worth my time, and all praised B.P.R.D. Hell on Earth Volume 3: Russia:

I've always enjoyed Mike Mignola's storytelling and his capacity to mix dissimilar mythologies into a working background. That being said.. I am rather disappointed because this copy arrived with the back cover badly scratched up. I buy graphic novels as something to read rather than something to collect but I would

still like my book to get here as unscathed as possible. If I were a collector, this would definitely be a deal breaker. This isn't the first time I've received a book with damage. It doesn't happen every time but it does happen, so buyer beware. I wonder if it's an issue with the way they are being warehoused or if the folk operating the pick face are being too rough with the goods. Closing in light of a positive note, my purchase arrived quickly, as always. 0 of 0 people found the following review helpful. Great! By ArielLove how quickly this was shipped!
