The BPRD Plague of Frog books are incredible! Every volume is packed full of excellent art, characters you care about, stories that can make you feel giddy or bum you out to no end. The books are incredibly high quality from the page thickness to the binding, these are going to stand the test of time (or multiple people reading them a few times a piece). Big props to Dark Horse for making these books so high quality and affordable. Thank you!

Really great.

A story that began in the first issue of Hellboy concludes with the B.P.R.D. team set to permanently wipe out the subterranean colony of frog monsters. The team tracks down Memnan Saa's hideout, but soon find themselves in over their heads when old enemies like the Black Flame arrive to lay waste to the world. This is the fourth (of four) softcover collections of the Plague of Frogs storyline each one collecting three of the original B.P.R.D. trades.

About the Author
Mike Mignola was born September 16, 1960 in Berkeley, California and grew up in nearby Oakland. His fascination with ghosts and monsters began at an early age and reading Dracula at age 13 introduced him to Victorian literature and folklore from which he has never recovered. In 1993 Mike moved to Dark Horse comics and created Hellboy, a half-demon occult detective who may or may not be the Beast of the Apocalypse. While the first story line Seed of Destruction, was co-written by John Byrne, Mike has continued writing the series himself. There are, at this moment, numerous Hellboy graphic novel collections with more on the way, several spin-off titles (BPRD, Lobster Johnson, Abe Sapien and Witchfinder), three anthologies of prose stories, several novels, two animated films, and two live action films starring Ron Perlman. Hellboy has earned numerous comic industry awards and is published in a great many countries. The author lives in Los Angeles, CA..
