Eric Powell, John Carpenter : Big Trouble in Little China Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Big Trouble in Little China Vol. 2:

2 of 2 people found the following review helpful. Carpenter and Powell make a nostalgic Jack Burton dork giddy.By Alden D.There is so much that is awesome about this series, it's hard where to start.I finished reading both volumes in one sitting and each chapter is funnier and more awesome than the last. If you loved the original movie, I highly recommend you read this series since it's an official continuation of what happens after that hairy aped demon sneaks

onto the Pork Chop Express and since it's also written by both John Carpenter and Eric Powell, the creator of "The Goon." This series is incredible, the art is great, and the writing is outlandish and hilarious. They've been able to take the story so much farther into the fantasy world that is in and surrounds Little China in comic book form than they were able to in cinema. It's a great series, definitely worth owning, a fast read, and re-readable. 10/10 of 0 people found the following review helpful. Five StarsBy CustomerLove it0 of 0 people found the following review helpful. Outlandish and FUN!!By Timothy L. FarleyTrue to the spirit of the film. Humorous, Outlandish and FUN!!!

The revival of John Carpenter's hapless hero, Jack Burton, continues! Lo Pan has been resurrected! To say he is in a bad mood would be putting it lightly. He has just come from the Hell of Those Killed by Idiots, the lowest rung of the ladder when it comes to honorable Hells, and for a sorcerer warlord like Lo Pan, it's the worst humiliation imaginable! Worse than that, the body of flesh and blood that he waited thousands of years for has been taken from him and he once again is a lost spirit unable to partake in earthly pleasures. Jack Burton must pay! Collecting issues from the critically acclaimed series, director John Carpenter returns with writer Eric Powell (The Goon) and artist Brian Churilla (Hellbreak) in the continuing adventures of Jack Burton!

About the AuthorJohn Howard Carpenter is a director, screenwriter, producer, and composer best known for his work on Escape From New York, Halloween, and Prince of Darkness. Eric Powell is a writer and who has contributed work on such comics titles as Buffy the Vampire Slayer, Angel, Hellboy: Weird Tales, Star Wars Tales, The Incredible Hulk, The Avengers, She-Hulk, the Simpsons, and he is the creator of the award-winning comic book series The Goon. Brian Churilla is a comic book writer and artist, and is currently drawing the books Big Trouble in Little China for BOOM! Studios and Hellbreak for Oni Press. He is also the creator of the critically-acclaimed Oni Press series, "The Secret History of D.B. Cooper". His artist credits include: The Avengers and the Infinity Gauntlet, The Sixth Gun: Sons of the Gun, The Anchor and The Engineer.
