**Roberta Gregory : Bitchy's College Daze (Adventures of Midge the Bitchy Bitch)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bitchy's College Daze (Adventures of Midge the Bitchy Bitch):

In this series of stand-alone Naughty Bits collections, Gregory takes on pornography, shopping, yuppies, dating,

menstruation, and much more. The lead character in most is Bitchy Bitch, the permanently PMS'd and PO'd embodiment of the female id, who also stars in her own series of cartoon shorts on the Oxygen Network's X-Chromosome animated series. An anti-nostalgic trip through the '70s, as Bitchy discovers college, Viet Nam, and the Pill!
