And I have ( but mostly because you have to wait months for the new book to come out, so I wait till I get several new ones and then re-read the series) Great series, you wont be disappointed if you enjoy Manga/Anime.

He loves her blood, but does her love her?!R to L (Japanese Style). He loves her blood, but does her love her?! There is a world of myth and magic that intersects ours, and only a special few can see it. Misao Harada is one such person, and she wants nothing to do with magical realms. She just wants to have a normal high school life and maybe get a boyfriend. All that changes one day when Misao is attacked by a demon. Her childhood friend Kyo suddenly returns to save her and tend to her cuts--with his tongue! It turns out Misao is the bride of prophecy, whose blood gives power to the demon clan who claims her. But most demons want to keep her power for themselves--by eating her! Now Misao is just trying to stay alive...and decide if she likes it when Kyo licks her wounds. Volume 3: Misao is starting to trust her heart where Kyo is involved, especially after he gives her one of his primary feathers. It isn't just her first present from him, it's a magic talisman that will keep her safe when he's not nearby! Misao is elated to be able to go to school without the fear of being eaten, just like a normal teenage girl. But as her feelings for Kyo deepen, she starts to realize that as his bride she will have to leave her human life behind--including her family!
