TerribleBy SpideyWhat a mess of a story. Black Canary has been captured by a ninja death cult. Turns out her mother was a ninja too who mastered a "death punch" that will somehow save their master even though it's a death punch. Makes no sense. Dinah also has a ninja aunt now that she didn't know

about. The whole story is a bunch of nonsense. 0 of 0 people found the following review helpful. Five Stars By Kyven It's pretty good.

CULT OF PERSONALITY Rock star. Public menace. Martial artist. Superhero. Dinah Drake is all these things and more and she's got the legions of fans, friends and foes to prove it. But there's a part of her life she's never been able to get a handle on, a role she's never been able to play: daughter. Her mother went missing, and took the secrets of Dinah's own past with her. Now a mysterious cult fronted by a white ninja whose skills may outmatch even Black Canary is determined to dig them up. And if that means digging them directly out of Dinah's soul? So be it. To escape this implacable enemy and track down the roots of the cult that rose up in her mother's absence, Dinah must go on a whirlwind tour from the streets of Gotham City to the nightclubs of Europe. And she'll need the help of everyone from Batgirl to her band to survive. Because this foe won't stop until the Canary Cry is silenced for good. **Writer** Brenden Fletcher and artists Sandy Jarrell, Moritat and Annie Wu crank the volume of the Dinah Drake saga up to eleven in **BLACK CANARY VOL. 2: NEW KILLER STAR!** Collects stories from **BLACK CANARY #8-12**, **GOTHAM ACADEMY #17** and a special preview of **BATGIRL AND THE BIRDS OF PREY: REBIRTH #1**.
