It is really great to be able to see the diverse cross section of black history quotes of the past and present generation. It also can serve as a jumping off board to do your own research on some really interesting people. Some of the people included are ever present cultural icons while others may be lesser widely known. Definitely worth the buy for the art and the content therein. 0 of 0 people found the following review helpful. Beautiful artwork, interesting facts By mjmason3 Bought for my brother as a gift. He loved it. I love it, almost bought myself a copy as well. Beautiful artwork. Interesting facts. An interesting and diverse group of Black people featured. Nicely compiled. Love it. 0 of 1 people found the following review helpful. Five Stars By a.m. Wimberly does it again!

A look at Black History framed by those who made it. BLACK HISTORY MONTH IN ITS OWN WORDS presents quotes of dozens of black luminaries with portraits illustrations by Ronald Wimberly.
