Howard Chaykin : Black Kiss II before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Kiss II:

0 of 0 people found the following review helpful. Filth and poetic justice served up coldBy C. D. VarnChaykin is really expert at semi-pornographer revenge stories set between the 1920s and 1950s. This one is edging a little past the semi, and it is dark. It also doesn't have a lot of the development or shock of the original from the 1980s (currently collected and released from Dynamite). One definitely gets the feel that Satellite Sam is part of why Image's various

collectives were involved. That said, Chaykin is very good at what he does here--filth and poetic justice. If you know that going in, you'll get what you probably came for. 2 of 2 people found the following review helpful. Beautiful Perversity
By David G. Lloyd
First of all, Howard Chaykin's depraved and explicit world of Black Kiss is definitely NOT for everyone -- especially young readers. As a fan of the original, I thoroughly enjoyed this prequel. Revisiting characters like Beverly Grove and Bubba Kenton and their twisted adventures into darkness and filth among various socialites against the backdrop of the film industry, focusing on specific incidents during each decade of the 20th century, was both entertaining and illuminating. While much of the visuals and concepts are often confronting, there is a definite artistic quality to them ... along with cultural significance. While Black Kiss 2 may not be quite as groundbreaking or as intricate as the original, it is an excellent companion piece nonetheless. Hopefully, Chaykin is not finished with the world of Black Kiss just yet ... I'd love to see a Black Kiss 3 get published!

By Mario Salazargreat!!!

Nearly 25 years ago, Howard Chaykin brought the '80s to a close, and comics to the brink, with his landmark erotic thriller, Black Kiss. Now, after years of anticipation, he's back with Black Kiss II, telling the story behind that legendary story like the original, in glorious black and white. And really, now does it have to be so dirty?
