Good introductionBy morehumanthanhumanThis is my first introduction to the Black Panther world and I felt like there was a good balance between introducing me to the character and his world and getting right into the story. Looking forward to continuing.0 of 1 people found the

I am new to reading comics and new to the Black Panther universe and am already in love.1 of 2 people found the following review helpful. FinallyBy katyaYES

A new era begins for the Black Panther! MacArthur Genius and National Book Award-winning writer T-Nehisi Coates (BETWEEN THE WORLD AND ME) takes the helm, confronting T'Challa with a dramatic upheaval in Wakanda that will make leading the African nation tougher than ever before. When a superhuman terrorist group that calls itself The People sparks a violent uprising, the land famed for its incredible technology and proud warrior traditions will be thrown into turmoil. If Wakanda is to survive, it must adapt--but can its monarch, one in a long line of Black Panthers, survive the necessary change? Heavy lies the head that wears the crown!COLLECTING: Black Panther 1-4, Fantastic Four (1961) 52
