**Ta-Nehisi Coates : Black Panther: A Nation Under Our Feet Book 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Panther: A Nation Under Our Feet Book 2:

1 of 1 people found the following review helpful. This book ties past events to move the story forward ...By Brian the Red This book ties past events to move the story forward and blend the past and the present. That theme is everywhere in this book, calling back to Shuri's near death, the destruction of much of Wakanda by the SubMariner and the current plot with its insurrection within Wakanda. Along with this theme of the past's influence on the present, the writing here

is clear and evocative. In Marvel's current set of comics, I find Black Panther to be the strongest in writing.<sup>2 of 2</sup>  
people found the following review helpful. Hope to see more like this from him  
By Marcus Day  
I never pictured Coates as a comic writer, but he infuses the Black Panther narrative with the same level of skill and insight about the intricacies of Wakanda culture that he does when he writes for the Atlantic. Hope to see more like this from him.<sup>0 of 0</sup>  
people found the following review helpful. Simply great  
By Franco Caliz-aguilar  
The artwork is beautiful. The dialogue is richness deep. The Easter eggs like the book cabinet within it are wonderful. So is the thoughts that are provoked and the statements on governance and citizenry.

Dark times for the Black Panther, as Ta-Nehisi Coates chronicles the final days of the kingdom of Wakanda! As Zenzi and the People poison Wakanda's populace against their king, a cabal of nation-breakers is assembled. With few allies of his own to call on, T'Challa must rely on his elite secret police, the Hatut Zeraze -and fellow Avenger Eden Fesi, a.k.a. Manifold! Meanwhile, Shuri's spirit journeys through the Djalia...but what awaits her there? The blockbuster reinvigoration of the Black Panther continues! COLLECTING: BLACK PANTHER 5-8
