This book features the man who would be Black Panther, Kevin 'Kasper' Cole. For me it's my favorite Black Panther Story, that doesn't involve T'Challa completely. It also sees the return of Erik Killmonger as the Chieftan of the Panther Tribe/Cult. Volume 4 Of the Complete Collection is a series of crime novels based in new York City, it's a fun little ride that is less tactical and more Grit. A More of a smash through and figure it out as you go kind of style. That's Kasper in a nutshell. The only thing I'll say I don't like is how they try to swap in other language for Ebonics that clearly just doesn't flow well at all. Other than that it's a fun little set of books.

Been a fan for a LONG time; happy to revisit this great story in prep for the upcoming movie!

Christopher Priest takes the Black Panther in a whole different direction! With T'Challa gone, who will inherit the mantle? Could it be...the guy with the trenchcoat and guns? Kevin "Kasper" Cole is seeking revenge on the people who hurt his family, and it will bring him into conflict with corrupt New York policemen as well as a brutal hunter. It's the all-new Black Panther versus the White Wolf, as a crime novel in super hero comic form begins - but nothing in a Priest tale is ever black and white.
