Brian Wood : Black Road Volume 1: The Holy North before purchasing it in order to gage whether or not it would be worth my time, and all praised Black Road Volume 1: The Holy North:

1 of 1 people found the following review helpful. Must read for fans of dark fantasy.By Porter WoodwardEvocative and fun if you're into dark story lines. The art throughout is solid with some standout panels that really capture the mood. The plot is so intriguing that I am looking forward to the next volume. The characters are interesting - with their own twists, flaws and motivations - you're not left thinking why is this character here, or oh I see this is the comic

relief character. 1 of 1 people found the following review helpful. Tremendous story and artwork...this is one you need to read! By Hoss Brian Wood did a phenomenal job with this story. I honestly can say that I have not seen any stories as epic as this one centered in this time period. The artwork is great as well and carries the story beautifully. I cannot wait to receive Volume 2 in August (already on pre-order). 0 of 0 people found the following review helpful. Dark. Bloody. Great! By Xinra The art, the story, the coloring... all of it is amazing. Each chapter kept me drawn into the story with each page. This book is wonderfully drawn, and the battle scenes are brutal bloody. Magnus The Black is a beast of a warrior, not to be trifled with. If you're intrigued by dark fantasy, this is certainly a book to pick up and read. Two bloody axes way up!

1000 A.D. The Christian conversion of pagan lands is well underway, turning the Viking north into a bleak war zone of occupation and violence. Magnus The Black is an ex-warrior turned fixer for the Church, only looking to ease his people through this painful time. But when a Vatican official under his care is murdered on the infamous "Black Road", he uncovers a secret, something so big it threatens to change the balance of power in all of Europe. From Northlanders creator Brian Wood, artist Garry Brown (Catwoman, The Massive) and Dave McCaig (Batman, Avengers) comes a historical thriller with a shocking twist. Collects Black Road #1-5.
