Mark Waid : Black Widow Vol. 2: No More Secrets before purchasing it in order to gauge whether or not it would be worth my time, and all praised Black Widow Vol. 2: No More Secrets:

0 of 0 people found the following review helpful. Great fun w/ some weird moments By Esdras Romero This was a fun and intense ride. The only thing I didn't like is that at some points it seemed to want to get too crazy by going out to the moon. It was weird. BW doesn't need all that extra b.s., but if you have to go there make it feel more organic and purposeful. I did enjoy the read a lot anyway! 0 of 0 people found the following review helpful. Five Stars By Bob

PatrickGorgeous and fun read!0 of 0 people found the following review helpful. Black Widow Confronts Her PastBy Tim FieldI can't say I've followed Black Widow prior to Mark Waid's run on the series but I have no problem tracking Natasha's adventures despite my ignorance of her backstory (although I have no idea what caused the big change to Nick Fury). In this second collection Waid and Chris Samnee keep up the breathless pace. Lots of action but still time for emotion and characterization. Chris Samnee's art reminded me of Lee Weeks and Frank Robbins' art at time, stylized but easy to follow. Waid can do not wrong as a writer, moving easily between the DC, Marvel and Archie universes.Highly recommended.

Now that Natasha knows the Weeping Lion's secret, she's in control of his very particular skills. Natasha plans to use him to destroy the Red Room's reincarnation, the DARK ROOM. But she'll have to face RECLUSE, daughter of the Red Room's headmistress, who's fixated on killing Natasha to prove her worth. COLLECTING: BLACK WIDOW 7-12
