Various : Blackest Night: Black Lantern Corps Vol. 1 (Blackest Night (Paperback)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Blackest Night: Black Lantern Corps Vol. 1 (Blackest Night (Paperback)):

1 of 1 people found the following review helpful. The Best Black Night Tie-In By clairetoldmetochangemyscreenname The absolute best Blackest Night Tie In Book. This volume focuses on the gut punch of Batman, Superman, and the Teen Titans all dealing with the resurrected dead during the Blackest Lantern

event. The Batman and Teen Titans tie-ins are some of the most emotionally intense of all the BN tie-ins (keep in mind that during the event, Batman is Dick Grayson). Dick and Tim Drake are faced with the resurrection of some of their old foes and, even worse, their lost parents. Superman and Superboy do battle with the deceased Superman of Earth 2. The Teen Titans face off against their lost members like Beast Boy's girlfriend Terra and even Donna Troy's husband and child. Seeing Tim Drake relive his father's death during Identity Crisis or Donna Troy having to put down her Black Lantern baby is just brutal. Although this story is just an optional tie-in to the main event it is emotional gut punches such as these that make the Blackest Night event so damn good. An absolute brilliant read. 8 of 8 people found the following review helpful. Great Storyline. Could have been layed out better by DC By JmG The Story was great. The only thing that I did not like about it was the way that it was layed out by DC in Graphic Novel format. I think such a great story deserves to be gathered into one or two giant volumes, not 7 smaller graphic novels. I found it confusing not being able to read through a whole book and then move on to the next one. For it to "flow" you have to read one or two stories from a book, then one or two stories from another book and then back to the original book..... I know there is probably no real way to make a perfect ordering of the books, but I believe it still could have been layed out better. 0 of 0 people found the following review helpful. Side stories with a surprising amount of substance By N. Durham Wondering where heavy-hitters like Batman, Superman, and the Titans were during the main Blackest Night storyline? Blackest Night: Black Lantern Corps Vol. 1 collects three 3-issue mini's, each focusing on the aforementioned DC icons and what they were up to when the dead began to rise. With Blackest Night: Batman, the newly-mited Dark Knight Dick Grayson finds himself up against a cavalcade of resurrected old Batman villains, as well as his parents to boot. Fighting alongside him are Robin, Red Robin, Deadman, the GCPD, and even Etrigan the Demon as Gotham City gets plunged into an undead hell. Written by Peter J. Tomasi and nicely drawn by Ardian Syaf, this opening mini winds up being the best of the bunch here. With Blackest Night: Superman, writer James Robinson doesn't quite work the same kind of magic here that he has during his run with Superman of late, but he does pen an entertaining tale of Superman and Superboy going toe to toe with the resurrected Kal-L and Lois Lane of Earth-2, with Smallville being the battleground. Eddy Barrows provides some fantastic art for this mini, which almost makes up for the underwhelming conclusion. With Blackest Night: Titans, the many deceased members of the Teen Titans over the years all come back to haunt the current Titans members, as Gar tangles with Terra, and the current Hawk Dove fall prey to the resurrected Hank "Hawk" Hall. J.T. Krul's script is solid, and the artwork of Ed Benes is always a welcome feature in any comic tale. All in all, while not a truly essential tie-in to the Blackest Night saga, Black Lantern Corps Vol. 1 is a worthwhile endeavor regardless.

Writers James Robinson, Peter J. Tomasi and JT Krul are joined by artists Eddy Barrows, Ardian Syaff and Ed Benes for this essential BLACKEST NIGHT storyline tie-in title that features Batman, Superman and the Titans dealing with their greatest villains and loved ones returning from the dead as evil Black Lanterns. The hardcover edition includes Blackest Night: Batman #'s 1-3, Blackest Night: Superman #'s 1-3 and Blackest Night: Titans #'s 1-3

"Combine[s] the best elements of both superhero comics and horror comics, along with some fine storytelling by Robinson, Peter Tomasi, and the miniseries' guiding force, Geoff Johns."-- Entertainment Weekly's Shelf Life
