Wes Craig : Blackhand Comics before purchasing it in order to gage whether or not it would be worth my time, and all praised Blackhand Comics:

0 of 0 people found the following review helpful. An Artist With a Truly Unique StyleBy MatiasWes Craig is by far one of my favorite comic book artist. His work on "Deadly Class" is flawless, so I expected his own personal work to be just as excellent. While I will admit that his art style and writing not might be for everyone, if you're looking for a fun and bizarre read, here's your book. The first two stories are fairly simple, however Craig's storytelling through his art is phenomenal. In the third story, "The Seed", Craig tells a creepy and fast paced story that only he could tell. Read this book if you find it for the right price. I got it for around \$10 or so and I felt guilty because it was such a steal. Support artists that actually have style.0 of 0 people found the following review helpful. DisappointedBy SpideyI was excited when I saw this as any fan of Deadly Class would be. However, this book was boring and just meandered. It contains 3 stories, 2 of which don't have a plot to speak of.

Attention purveyors of fine comic products everywhere! You won't want to miss this incredible offer! From the co-creator of Deadly Class comes a collection of stories that stretches the limits of sequential storytelling itself! A trio of tales from the online webcomic sensation that is Wes Craig's Blackhand Comics. Includes the instant classics "The Gravedigger's Union," "Circus Day," and "The Seed!"
