Yasuhiro Nightow : Blood Blockade Battlefront Volume 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Blood Blockade Battlefront Volume 1:

0 of 0 people found the following review helpful. ... Trigun or Gungrave but I expect it will get better. I've only read the first one. Fairly unique premise. Artwork is pure Nightow.0 of 0 people found the following review helpful. BBB takes a

bulletBy Usagi UchihaUnlike Nightow's previous series, Trigun, I couldn't really get into the story and the art seemed a bit messy so it was hard to tell what was going on. The main character seemed pathetic and the eye power thing was weird. I dunno. I wish that the main character was the guy on the front but just wishful thinking. I know everyone loved the new Jerusalem idea and monsters popping everywhere but to me, it just seemed boring and cliched. Maybe I was hoping for another 'Trigun' since it was classified under sci-fi, I dunno. Anyway, displeasure aside, I give this book a 3 out of 5.0 of 0 people found the following review helpful. Nightow..oh hell yeah! He's done it again...By Saito HajimeHonestly I just bought this b/c it is made by the man who brought us Trigun and Gungrave, Yasuhiro Nightow. He is one of the most talented and unique manga artists I've ever seen and he clearly loves what he does and loves his characters, b/c his work is nothing but fun. I wasn't sure what to expect with this strange title(Blood Blockade Battlefront, wtf?), but it blew me away.B3 is a story of Jerusalem's Lot, a paranormal infested city once known as...NEW YORK! (As an American, Nightow has always brought us manga I can relate to. Trigun was basically a western, and now this is in New York, gotta love it.)This kid with powers stumbles into a group of people with powers and maximum action ensues. Just buy it, we gotta support print manga, and you might as well support the best.

Trigun creator, Yasuhiro Nightow, returns to Dark Horse with a frantic new mini-series Blood Blockade Battlefront!In Nightow's new world, a breach between Earth and the netherworlds has opened up over the city of New York, trapping New Yorkers and creatures from other dimensions in an impenetrable bubble. They've lived together for years, in a world of crazy crime sci-fi sensibilities. Now someone is threatening to sever the bubble, and a group of stylish superhumans is working to keep it from happening. Like Trigun, Nightow's Blood Blockade Battlefront is non-stop action, unbridled imagination, and a ton of strange weaponry.

About the AuthorYasuhiro Nightow is a Japanese manga artist and game creator who created the anime and manga Trigun. Nightow was born on April 8, 1967, in Yokohama, Japan. He moved to Yokosuka when he was in elementary school and spent his junior high and high school years in Shizuoka.Before the release of the popular mangaTrigun, Nightow studied social science and then majored in media studies. Nightow became popular in the United States thanks to the US release of Trigun. Trigun, the TV series, had a limited broadcast run in 1998. Nightow also created the characters and story for the Sega/Red Entertainment anime and third-person shooter video game series Gungrave. The author lives in Tokyo, Japan.
