Jersulalem's Lot--the former Big Apple gone to otherworldly hell--has crime problems like any other city...well, not exactly like them. One of the Lot's yakuza gangs is looking to up-armor for its local turf battles, and dealers from the Beyond can provide serious arcane firepower that may be more than even the special agents of Libra can handle!From Yasuhiro Nightow, creator of the international sensation Trigun, comes Blood Blockade Battlefront, a nuclear manga warhead of science-fiction madness!
