In Jerusalem's Lot--the mystically transmogrified New York City--a bacteria-sized crimefighter is on the trail of an equally microscopic foe. But the tiny terrorist is hiding out inside the body of Libra agent Leonard Watch's pal Real, and any threat turns poor Real into a titanic monstrosity. Leo's job one is to get the mini-cop inside Real to even the odds before Jerusalem's Lot becomes a parking lot! From Yasuhiro Nightow, creator of the international sensation Trigun, comes Blood Blockade Battlefront, a no-rules manga slugfest of science-fiction psychosis!

About the Author Yasuhiro Nightow is a Japanese manga artist and game creator who created the anime and manga Trigun. Nightow was born on April 8, 1967 in Yokohama, Japan. He moved to Yokosuka when he was in elementary school, and spent the junior high and high school years in Shizuoka. Before the release of the popular manga, Trigun, Nightow studied social science and then majored in media studies. Nightow became popular in the US thanks to the US release of Trigun. Nightow also created the characters and story for the Sega/Red Entertainment anime and third-person shooter video game series Gungrave. The author lives in Tokyo, Japan.
