Shoko Hidaka : Blue Morning, Vol. 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Blue Morning, Vol. 1:

5 of 5 people found the following review helpful. one of the best yaoi manga By Someguy this story is really very good. It feels meaty compared to most other yaoi. there is character development!! and a plot. The adept storytelling makes the characters actions and motives believable. Of course the sex scenes are beautifully drawn. Hidaka Shoko seems to use a less-is-more approach very successfully. You really seem to sense what these two characters are feeling without being over burdened with too much dialogue. really nice work. 0 of 0 people found the following review helpful. Interesting relationship btw/ characters By Charlotte Keith This is a nicely written period piece. The build up between

the two main characters is slowly developed so you get a good sense of why they come to develop their feelings. Their chemistry is good and the art shows some real pretty boys. I bought the whole series. 0 of 0 people found the following review helpful. Four Stars By Ej Chandler A fascinating story, but for some reason the sex scenes leave me cold.

Reads R to L (Japanese Style) for mature audiences.
