**Shoko Hidaka : Blue Morning, Vol. 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Blue Morning, Vol. 2:

3 of 3 people found the following review helpful. A good follow-up to volume 1By L. DepotArt is good, there's an actual mystery story in the book, and it's moderately explicit, so not for those who like boys love, and okay for those who don't want to see everything. There's more sex in this book, but the mystery also gets stronger--there's a good balance. It's NOT candlelight and romance, so if that's what you're looking for, don't read this.0 of 0 people found the following review helpful. Mommy likeBy SnarkycatHigh society and matters of the court seems like it'd be a boring ass time but this manga, even more so that vol 1 totally kept me hooked. Character development is good and smut

tastefully done even as it escalates 0 of 0 people found the following review helpful. Fantastic By Lisa Russell One of my favorites. I really hope they release another soon. The story is compelling and the artwork is beautiful.

I will serve you my entire life. In exchange, you bring the Kuze family the rank of count or higher. The young viscount Akihito agrees to this condition laid out by his butler Katsuragi, who is thus forced into his arms. But no matter how deep their affair goes, Katsuragi's attitude towards him remains cold. Akihito is plunged into a turmoil of fierce emotions, as frustrated by this unyielding distance as he is driven to violent passion by his butler's cleverness and beauty. The situation reaches a breaking point when master and servant are invited to a party at the Marquise Moriyama's. Reads R to L (Japanese Style) for mature audiences.

About the Author Shoko Hidaka's works have been published in English, French and German. Her previously published English-language releases include *Restart* and *Not Enough Time*. She was born an Aries on March 31st in Tokyo and has an A blood type."
