Popular Feature Film director/writer Kevin Smith (Chasing Amy, Dogma) brings his world famous slacker creations Jay and Silent Bob as their `super-hero` personals : Bluntman and Chronic! Specifically timed to coincide with the release of Kevin's new film: Jay and Silent Bob Strike Back! (August 2001) This story is culled directly from what will become one of the summer's biggest smash releases! A photo cover ensures instant sales from film and movie buffs. Place it in the film or pop culture sections and to attract a whole new audience into the growing graphic novel genre.

About the AuthorKEVIN SMITH sold his comic book collection to fund Clerks (1994), and after the film became a huge hit he was able to buy them back. One of the most successful independent film-makers of recent years, Smith is also the writer/director of Mallrats, Chasing Amy and Dogma. He owns a comic book store, Jay Silent Bob's Secret Stash in New Jersey.
