**Vaughn Bode : Bode's Erotica Vol. 1** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bode's Erotica Vol. 1:

Very amusing underground 'toons for adults! By Banshee Our most favorite eccentric in the whole comix-makin' field of the 1970s presents us with his very vivid color-drenched fantasies featuring those ugly toad-like lechers and their very naked "Bode Broad" girlie companions with their fat, bouncing breasts and perky, swinging buttocks. Very groovy! Such beautiful, dreamy artwork evidently influenced by LSD visions and such funny, bizarre comic stories and crazy punchlines featured on each delightful page! No physical encounters, sorry!

These full-color collections of Vaughn Bode's Cavalier pages are scrupulously reproduced from high-quality slides of the original art, showcasing some of the best and most sensual Bode artwork ever released.
