Vaughn Bode : Bode's Erotica Vol. 4 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bode's Erotica Vol. 4:

This is a great collection of what made him so special. No one could present characters and story lines like him. His ability to draw the characters and stories with such style has not been duplicated and perhaps never will be, he was the original and unsurpassed

talent of his generation.
