Jimmie Robinson : Bomb Queen, Vol. 2 before purchasing it in order to gage whether or not it would be worth my time, and all praised Bomb Queen, Vol. 2:

4 of 5 people found the following review helpful. The joke gets staleBy Kid KyotoWhile the first Bomb Queen book had a funny idea (a supervillainess takes over the city and rules in amusing ways) by the second volume the joke has gotten old and tired.If you really liked Bomb Queen wait for the omnibus volume coming out and get that. No real

need to pick up this volume.0 of 1 people found the following review helpful. Five StarsBy Kindle CustomerExcellent comic4 of 5 people found the following review helpful. funny with great artBy Gahechi EsmichiI loved this comic the moment I opened it. There is so much detail in the backgrounds - it's fun to spend time on each page looking for subtle humor instead of blowing through the whole thing in 15 mins.The art in this series is so clean and well done. The character, Bomb Queen, is such a bad @\$ and she does whatever she wants and she makes me actually laugh out loud. Jimmie Robinson really captured my...heart? (not the right body part for this kind of thing) with this comic because the writing is top notch, its funny as hell and really sexy too.I like that the comic doesn't take it seriously at all - the characters might say every now and then that so in so is in the wrong comic if you think... etc etc - its really a blast. Reading the whole series was a real treat.Give this series a chance before you discount it as another cheap TA thrill. Its more than just TA (Bomb Queen IS hot though!).Don't take the comic seriously, otherwise you'll completely miss the point. People who are offended by images/jokes of rape, murder, etc. will have let the whole thing just whiz right over their head - so just enjoy it - it's by far my favorite comic of all time.

Bomb Queen is back! The super-popular series returns, wilder and sexier then ever! Bomb Queen falls for a mysterious man who finally satisfies her sex-crazed lust. But Bomb Queen must get her head out of the clouds and her legs back together, because naturally, all is not what it seems!
