**Yaya Sakuragi : Bond of Dreams, Bond of Love, Vol. 4** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bond of Dreams, Bond of Love, Vol. 4:

I can't wait to read more from Sensei; thank you, for giving me a way to support Sensei. 0 of 0 people found the following review helpful. One of my most favorite series ever By Michelle Arthur. One of my most favorite series ever. Have read them multiple times, and will read them over and over again. Best money on a book I've ever spent. 0 of 0 people found the following review helpful. Such a great series. By Niki. I finished all 4 books in one go. So much fun. Great development in their romance and lovely plot. Love this couple. Ao is such a

cutie pie and Ryomei is such an adorable brooding seme, lol. These two provide so many delightful and entertaining moments together. Their facial expressions are priceless, their interactions whether it is 10 years ago or now just divine. The supporting characters are great especially both guys' best friends each one having a say in the guys' relationship. This Yaoi series has earned its place in the front placing of my shelves to be reread and reread... Love it.

Ryomei has been steadily refusing AOs advances, but when Ao says this could be the last time they see each other for a while he decides its time to make a move. Unfortunately, unforeseen circumstances halt their night of passion, and things get even more complicated when Ao perceives Ryomeis sudden interest as pity. What will it take to convince Ao that this time its the real deal? This story of not-so-unrequited love reaches its climax in the final volume of Bond of Dreams, Bond of Love! Reads R to L (Japanese Style) for mature audiences.
