A 35-volume manga series, which concluded in July 2003 over 35 million copies sold in Japan! Also a 51-episode anime series, also available from VIZ Media. Originally serialized in the Japanese comic anthology Margaret Comics, in 1992. Also spawned a live-action film and CD soundtracks. Released Bi-monthly (every other month). Just as Tsukushi thinks she can attend school unnoticed, the entire school starts bullying her and she finds herself in a love triangle with the two most popular boys, that's when the real trouble begins! Tsukushi is drawn into the drama of the business affairs of the rich Domyoji family. This puts Kaede, Tsukushi's sworn enemy, in the tough position of having to show Tsukushi gratitude. Tsukushi's trip to New York takes another shocking turn when someone close to her admits his true feelings for her!
