Following the loss of most of his colleagues in a violent ambush, Kenton has become Lord Mastrell of the few

With the ruling council poised against him, the hot-headed Kenton must become a diplomat to have any hope of preventing the eradication of his people forever. However, there's another complication: assassins are coming for him from all directions, and Kenton's only true ally is Khriis, a visitor from the other side of the planet who has an agenda of her own to pursue.
