Mi-Kyung Yun : Bride of the Water God Volume 14 before purchasing it in order to gage whether or not it would be worth my time, and all praised Bride of the Water God Volume 14:

1 of 2 people found the following review helpful. Problems, with Soah and Mui AGAIN!By LisaSo I pre-order this volume and it came today, YAY! In the last volume sadly two characters died! I won't reveal who, though it was a terrible, yet lovely end. I was pretty bummed out, Mui finally got the fruit that can make Soah immortal though in the final page she doesn't want to eat it. The first colored page comes with beautiful art and a poem (like always)! In this volume it picks up from there where Mui is asking Soah why she doesn't want to take it anymore and it appears that Soah talked to this goddess that is serving the emperor and she convinces Soah to not take the fruit because of a story

she told her. (I will not probably go into details because I don't want to ruin it) Pretty much, Soah asks Mui to prove his love to her (which i find stupid seeing that he lost his eye) Long story, short more problems for the couple!! Which breaks my heart though I can't wait for the next volume to come out!!1 of 2 people found the following review helpful. Still a Solid StoryBy AnnaThis continues to be a good series, and this issue definitely seems to be moving everything toward end game. Some comedy added to finally lighten things up a bit as well.1 of 2 people found the following review helpful. My wife loves this series and it's great for me too!By AdonoGreat for me because it's always an easy gift idea. I just check if a new volume is out and order it for my wife as a filler gift for xmas or her birthday.

As the mountains crumble in the wake of Mura's death, a bitter goddess with a heartbreaking history of her own tempts Mui with a new possibility: abandon his godhood and spend a short but happy life with Soah as a flesh-and-blood human! But the gifts from this goddess are never without conditions, and Soah and Mui may find more trouble among humans than they suffered in the realm of the gods! Mi-Kyung Yun delivers another sumptuous installment of her hit manhwa series, filled with romance and intrigue, and steeped in Korean mythology.

About the AuthorMi-Kyung Yunwas born October 14, 1980. She is a South Korean manhwa artist best known for her work *Bride of the Water God*. Yun received the silver medal in the New Artist Debut Competition for her work *Na-eu Ji-gu Bang-moon-gi* (The Journey of My Earth Visit) in 2003. She received a Best New Artist Award from the Dokja Manhwa prize organization for *Railroad* in 2004. Her other works include *A Cat that Loved a Fish* and *Railroad*.
