**Mi-Kyung Yun : Bride of the Water God, Volume 2 (v. 2)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bride of the Water God, Volume 2 (v. 2):

0 of 0 people found the following review helpful. Beautiful ArtworkBy SaraIt's an interesting story line, and I absolutely love the artwork. Actually, I think I mostly read it for the artwork. Sometimes you get frustrated with the characters for not knowing what seems so obvious, but that seems to be a theme among manga. The translation is pretty good, at least in the way the words make sense and the grammar is correct. I got a used version, but it was in good condition. All in all, I was rather pleased.0 of 0 people found the following review helpful. DelightedBy Taliesin EvensongThe book was in great condition. Int arrived in a timely manner. I love the art work.0 of 0 people found the

following review helpful. Wonderful! While it may be rather repetitive/generic in the ...By Sydney Evans Wonderful!  
While it may be rather repetitive/generic in the beginning of the manga. It is by far one of my favorites!

Habaek, the mysterious Water God, is cursed to live his days in the form of a little boy-while he turns back to his true adult self at night. His new human bride, Soah, thinks that she's been married to a child and has no idea that the attractive "Mui" is actually the adult Habaek. Surrounded by a cast of colorful elemental gods and their servants, Soah is tempted by flirtations from both "Mui" and the rascal Huye. When Tae-eul-jin-in spills Habaek's surprising secret, Soah audaciously plots to uncover the truth for herself. She has to be careful, though, so she doesn't anger the moody gods-including her powerful, new husband!
