**Geoff Johns, Peter J. Tomasi : Brightest Day Omnibus** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Brightest Day Omnibus:

2 of 2 people found the following review helpful. Buy the Paperbacks, or Skip Altogether By Seth This story is alright. The journey was fun but, in some form parallel to LOST, left me confused and wondering what I can read to figure out what the hell just happened. But I do give Geoff Johns the benefit of the doubt; he's written such great works, from Blackest Night to 52 to the current Justice League that he can shoot out a dud every once in a while. But along with story problems, there's the issue of binding. When I got this omnibus I took extra care to keep in fine condition (as my

first omnibus is in very poor shape from mishandling, as many first-time omnibus owners are) but halfway through the book the front cover separated completely from the front. Also pointless Anti-Monitor appearance is pointless

4 of 6 people found the following review helpful. Spectacular art - confusing story  
By sergei kochkin  
My comics are now complex! The art work is spectacular as usual if it is affiliated with Geoff Johns complex stories. I read Blackest Night last year to prepare for this, but honestly should have read it right before Brightest Day. The story is confusing and you feel like you are still missing huge portions of the story. What's more he is dealing with about a dozen stories at a time which are all interconnected. So while it appears disjointed and fragmented I suspect I missed about 5-10 years of source material which would have made this story more meaningful. Quite frankly I wish I knew what I was missing, since unlike the silver and golden age comics they are not stand-alone stories. I had a similar problem with his Green Lantern series but not the JSA Omnibus. Never-the-less I will read this again.....it is a bargain now at \$37 on ....so grab it before it becomes cost prohibitive like Infinite Crisis.

Dissapointed.....  
By J.B.  
Received this yesterday, very disappointed with the presentation of this collection. To begin with it is just a regular dust cover. Which when removed reveals a matte black cover with an embossed White Lantern symbol which is also matte black. The pages of this when compared to the previous Lantern releases are of a lesser quality. This has a sewn binding. Of course it is also smaller.

\*\*\*\*\*UPDATE\*\*\*\*\*  
After owning this for a total of two weeks two days. My cover binding came unglued!!! Please beware!! When purchasing this. I must have picked it up to read a total of 5 times. It is not stored in any extreme heat environment. It is with my other novels graphic novels. They did not suffer from separation.

Comics' hottest writer Geoff Johns (JUSTICE LEAGUE, GREEN LANTERN joins with Peter J. Tomasi (BATMAN ROBIN) in the follow-up to The New York Times best-selling graphic novel, BLACKEST NIGHT, BRIGHTEST DAY. Once dead, twelve heroes and villains were resurrected by a white light expelled deep within the center of the earth. Now, Aquaman, Martian Manhunter, Firestorm, Hawkman, Hawkgirl, Deadman, Jade, Osiris, Hawk, Captain Boomerang and Zoom must discover the mysterious reason behind their return and uncover the secret that binds them all. Featuring work from some of the hottest artists in the industry, including Ivan Reis, Patrick Gleason, Fernando Pasarin and Ardian Syaf, the entire BRIGHTEST DAY storyline is now available in one complete hardcover omnibus.
