novel (I'm a Walking Dead fan, there is a difference...), but a comic book, I completely enjoyed it. The story line is clever and the artwork excellent. I look forward to future issues and to see where they are going with the story.

Bruce Lee never died. And he hasn't aged. But he has no idea who he is, what's happened in the world in the past 40+ years, or why so many thugs want a piece of him. With the help of a fly BFF from the 70s Joe Toomey, P.I. -- and a pair of precocious Teens, Bruce will find himself forced to do battle with both an enigmatic Villain and his very own conscience.
