Various : Buffy Omnibus Volume 6 (Buffy the Vampire Slayer Omnibus) before purchasing it in order to gage whether or not it would be worth my time, and all praised Buffy Omnibus Volume 6 (Buffy the Vampire Slayer Omnibus):

1 of 1 people found the following review helpful. Who doesn't love Willow Tara?By JKMFilmsThis had some better stories than the previous omnibus.City of Despair was a fascinating concept. But it did seem like a bit of a rehash from a recent Angel episode.The problem with some of these, is if you read them in true chronological order, they spoil the

show. For example, the Jonathan story should be read after the Jonathan episode - even though it takes place first (chronologically). This was a good story - written (of course) by Jane Espenson. Giles-centric stories are always good, so *Beyond the Pale* was enjoyable. And who doesn't like Willow and Tara? *Punish Me with Kisses*, *Wannablessedbe*, and the very brief *Demonology Menagerie* were all good and a bit different. 0 of 0 people found the following review helpful. Five Stars By Customer Kick ass 0 of 0 people found the following review helpful. **** By Customer very good condition

The Buffy Omnibus series continues with volume 6 delving further into Season 4 of the acclaimed television series and launching readers into the heart of Season 5. Buffy and Angel, who's now a resident of Los Angeles, must reunite to fight new foes, but Buffy's current flame, Riley Finn, isn't too keen on the former lovers reuniting under any circumstances. Meanwhile, things begin to heat up between Willow and Tara. Dark Horse completely revitalized the Buffy franchise with their Buffy Season 8 series, selling over 135,000 copies of the first two Season 8 graphic novels! "There's plenty of humor and action here. Lots of strange (and strangely fun) violence. And, for Slayer fans, Omnibus is an opportunity to run down memory lane and relive those early, exciting Slayer days." Comic Book Bin
