Tom Fassbender, Jim Pascoe, Christopher Golden, Others, Cliff Richards, Paul Lee, Eric Powell : Buffy Omnibus Volume 7 (Buffy the Vampire Slayer Omnibus) before purchasing it in order to gage whether or not it would be worth my time, and all praised Buffy Omnibus Volume 7 (Buffy the Vampire Slayer Omnibus):

It is like the season 7 of the comic series, bringing back enemies from earlier comics and tying everything up in one, epic conclusion. Some of the omnibus series can be rusty (i.e. volumes 2 and

3), but the series really finds its gold in this volume (and volume 1, but that's for another review).**SPOILER ALERT!** I really appreciate about this volume is that it can literally be read after watching season 6 and acts as a wonderful tie-in to season 7. It explains what happens to Pike, fills in the gaps with Buffy's friends about the Vegas trip, and brings back Adam for one last hoorah. This volume literally has the best art and storyline in the entire classic series. I suggest picking up volumes 1, 5, 6 and 7 if you want the best of the Omnibus series. 0 of 0 people found the following review helpful. Buy it. Some stories have really nice ideas. By Saiffer Some really good ideas, and characters are mostly as you know them from the series. There are here some good and a couple of mediocre stories. For Buffy fan it is a must buy because some stories trying to fill in the blank between some important series episodes. Although they aren't canon stories. 3/5 Night of a thousand Vampires 4/5 Ugly little monsters 4/5 Chaos bleeds 5/5 Lost found 3/5 Spike - Rock 'n' Roll All Night 2/5 Tara Willow - Wilderness 3/5 Death of Buffy 4/5 Reunion 2/5 Withdrawal 4/5 Note from the Underground 0 of 0 people found the following review helpful. Five Stars By Customer great condition

Buffy's emotions run high after the tragic loss of her mother, but she still fights. She struggles with blood-starved vamps from another dimension and swarms of green demon children with a penchant for nibbling on faces, and, as barriers between alternate realities erode, nightmare versions of friends and long-dead enemies must be dealt with. Then Buffy's own death having sacrificed herself for Dawn takes a toll on the Scoobies, as they deal with demons and crazed forest creatures in a tale by Amber Benson ("Tara") and Christopher Golden. When Buffy is restored to life, she undertakes a secret mission with Angel, and all the loose ends are tied up with Buffy's trip to hell, bringing an end to an amazing four-year run of Buffy comics. * The Buffy Omnibus books collect the earliest Buffy comics and are an excellent precursor to Joss Whedon's Buffy the Vampire Slayer Season Eight series. * "There's plenty of humor and action here. Lots of strange (and strangely fun) violence. And, for Slayer fans, Omnibus is an opportunity to run down memory lane and relive those early, exciting Slayer days." comicbookbin.com
