By Robert F I've collected all the volumes and have enjoyed them all. This one is typical, and was a great read.

Buffy, Xander, and Willow set out on a journey to find a supernatural solution in a world sorely lacking magic. This trio of friends will confront new enemies--a superbeing bent on revenge, a Slayer gone rogue, and the ancient god who created vampires--in a battle that will change the shape of the world. Buffy, with a little help from her friends, will rediscover what it truly means to be a Slayer. Collects the fourth and fifth volumes of Buffy Season Nine in a deluxe hardcover format with sketchbook extras!
