Various : Buffy the Vampire Slayer Omnibus, Volume 3 (v. 3) before purchasing it in order to gage whether or not it would be worth my time, and all praised Buffy the Vampire Slayer Omnibus, Volume 3 (v. 3):

0 of 0 people found the following review helpful. Do not buy this volume. This isn't Buffy you love from TV. By SaifferBuffy characters are there, conversations are there... but they lack wit, fun, surprise, ideas... anything entertaining or interesting that original TV Buffy series has. TV series has something for you if you are grown up or studying on university or high school. This Omnibus has poor script quality and is suitable maybe only for very young

teenagers. I bought it because I had previous two Omnibuses which were OK... at least they have SOME good stories. This Omnibus has none. None of these stories are canon (obviously). It will just ruin the Buffy brand for you. Avoid at all costs. Waste of money. Only interesting thing in this big book is a foreword. 0 of 0 people found the following review helpful. Good for fans. By Phil If you are like me and miss the series then get these books. There are so many volumes and it keeps the story going. Just a great read for fans. I am a Buffy and Angel fan so I enjoyed these very much. 0 of 0 people found the following review helpful. yay! By Uncle Lewis A very light and very entertaining take on the Buffy story. These is my favorite Buffy comics, even though they're not canon.

The third volume of Dark Horse's Buffy omnibus series follows the gang through harrowing trials and tribulations - slaying vampires, going to high school, and young love. Angel has lost his soul and found it again, Xander and Cordelia kiss and make up, and Willow and Oz confront his inner beast. With so much romance in the air it seems only natural that we would catch up with Spike and Dru in the short story "Who Made Who." We meet the twisted duo in Brazil following a brutal break-up involving Dru's sire and former love interest, Angelus.
