By J.Tuff If you still miss the show and the characters; Joss continued it in comic form. It is a bit more fanciful than the TV show but the spirit is there. The Library Editions are high quality large format collections of the

individual comic runs. The Library Editions have been released a year or two after the initial comic release. They are perfect for new or old fans to catch up or compliment the collector. As of this review 1/2015 they just released the Library Edition Season 9 volume 1.5 of 5 people found the following review helpful. Library Editions Rule! By Robert Ryan Wished Buffy had one more year? This series by Joss Whedon brings it home to you via comic book form. This is the last of the 4 Volumes that make up the Library Edition and is well done! Hard cover, a little bit larger than your standard comic books worthy of a place in Giles Library! You will not be disappointed! 0 of 0 people found the following review helpful. Awesome By Cute Toast I loved the Buffy Season 8 comics. All of them. It was a wonderful way to continue the story after the show ended and the story was excellent. The characters translate well to comic form and it seems like the Season 8 story was able to maybe do more with the story than the TV seasons were able to due to the less restricted comic form. Also, these library editions are very high quality (also very large). I highly recommend this. It was a nice end to Season 8, a very high quality book, and held my interest enough that I couldn't wait to start reading Season 9.

Season 8s Big Bad is revealed in Buffy and Twilights second major encounter. Buffy realizes she is in a fight to save all of humanity. The Slayer reunites with Angel and Spike, searching for the one thing that can save the world, while the Slayer army crumbles and one in their ranks is lost. Collects Season 8 #31#40 and the Riley one-shot in one value package. A New York Times bestseller!

About the Author Joss Whedon was born in New York City in 1964. He started out as a staff writer for the 1990s sitcom *Roseanne* and worked on films, including *Toy Story*. In 1992 he penned the script for a film, *Buffy the Vampire Slayer*, and when the TV version starring Sarah Michelle Gellar took off in 1997, Whedon had his big break with its female action heroine, Buffy, became a huge hit. Whedon wrote hundreds of episodes for Buffy and its spin-off *Angel*, and was nominated for Emmy and Hugo awards for his work. Whedon has come to enjoy a cult following. The author lives in Santa Monica, California. Karl Moline is a comic book artist and cocreator of *Fray* (with Joss Whedon). He also illustrated many volumes of the *Buffy the Vampire Slayer* comic book series. Michelle Madsen is a colorist and letterer for Dark Horse Comics. Madsen has worked on *Lady Killer*, *Baltimore*, *Buffy the Vampire Slayer*, *Angel*, and many more.
