#245147 in BooksColor: multi-colored Dark Horse Comics 2012-12-04 2012-12-04Original language:EnglishPDF # 1 10.17 x .29 x 6.63l, .71 #File Name: 1595829903144 pagesThis 7x 10trade paperback collects Buffy Season 9 #6-#10; and "Buffy the Vampire Slayer: In Space No One Can Hear You Slay!"from Free Comic Book Day 2012.144 pages.With the Scooby gang on the skids, Buffy finds herself increasingly alone. When faced with some tough decisions grounded in "real worldproblems (i.e., not the slaying of pesky demons), Buffy is determined to make her own choices, but that doesn't mean she won't need a little handholding along the way. Cue Spike, compelled to stand by his best friend in her moment of need. Together they'll tackle the increasing zompile population and a rogue Slayer out for blood. | File size: 77.Mb

**Various : Buffy the Vampire Slayer Season 9 Volume 2: On Your Own** before purchasing it in order to gage whether or not it would be worth my time, and all praised Buffy the Vampire Slayer Season 9 Volume 2: On Your Own:

1 of 1 people found the following review helpful. Pop Culture BreakdownBy Jennifer SicurellaThe Good: A lot of well loved characters show up in this volume - Spike! Andrew! Robin! And a lot of heavy issues mixed with wacky situations. This volume is very close to the show, in that it has some great stuff going on, some weird stuff going on, and some what-drugs-where-the-writers-on kind of stuff thrown in for good measure. We don't get a lot of plot progression, but we do get a deeper look at where the characters are now and what the driving force is that's motivating their choices.The Bad: Glossed over too-drunk-to-consent rape. An inexcusable choice in any form, but especially offensive coming from a series known for female empowerment.2 of 2 people found the following review helpful. Exciting new direction for series.By CiaraThe only way this could have been better was if the show was still on the air. It was great to see the interplay between Spike and Buffy. I always enjoy Spike's blunt pep talks and unwavering support of Buffy. Andrew as usual is causing havoc, Zander and Dawn take their relationship to the next level and Willow tries to move on after the events of Twilight.0 of 0 people found the following review helpful. Just funBy R. WarkAn extension of my favorite tv series, Joss Whedon still involved, what's not to love? Perhaps not quite as good as volume one but fun, especially the short story that ends the book.

With the Scooby gang on the skids, Buffy finds herself increasingly alone. When faced with some tough decisions grounded in "real world" problems (i.e., not the slaying of pesky demons), Buffy is determined to make her own choices, but that doesn't mean she won't need a little handholding along the way. Cue Spike, compelled to stand by his best friend in her moment of need. Together they'll tackle the increasing zompile population and a rogue Slayer out for blood. Collects Buffy Season 9 #6#10; and "Buffy the Vampire Slayer: In Space No One Can Hear You Slay!" from Free Comic Book Day 2012.
