**David Hine : Bulletproof Coffin Volume 2: Disinterred** before purchasing it in order to gage whether or not it would be worth my time, and all praised Bulletproof Coffin Volume 2: Disinterred:

0 of 0 people found the following review helpful. ... and and 'Shaky Kane' artist deliver a 'PROMISING' and fun series to read By Max Daniels I think writer David Hine and and 'Shaky Kane' artist deliver a 'PROMISING' and fun series to read ... that just. doesn't. quite. get. there. But it shows a tremendous potential of really fun story-telling that intrigues the mind and gives the eyes a real visual treat ... especially if you're a Jack Kirby fan. I just wished they would 'deliver'

on the story. Still, --- a very fun read with a lot of promise!!On the last page.... I cried for 'more'!!0 of 0 people found the following review helpful. Even Stranger than the FirstBy Victor CordovaIf you are a fan of meta-comics or Shaky Kane's bizarre work and David Hine's oddball ramblings, this comic is the perfect mobius strip for you. I don't want to give it away, but this is definitely a head scratcher you will return to time and again. I devoured it in one day, and found strange connections and links I had missed upon first reading. Highly recommended reading for fans of Flex Mentallo, Animal Man, 1963 (by Alan Moore and more!), Supreme by Moore... you get the drift.0 of 0 people found the following review helpful. A unique comix mindf\*\*\* adventure!By A Book Is A Wonderous ThingA fun, unique sequel to the first adventure! BULLETPROOF COFFIN rocks, seriously a unique comix vibe!

Collecting the second season of the mind-blowing cult-favorite! Featuring the origin of The Shield of Justice, Tales from the Haunted Jazz Club, The Hateful Dead bubblegum cards, the loathsome Kiss The Clown, Coffin Fly versus The Red Menace, and the legendary cut-up issue "84." What more could you ask for? Okay... we added some "Behind the Scenes" extras, too. Happy now?
