**Guy Delisle : Burma Chronicles** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Burma Chronicles:

THE POPULAR TRAVELOGUE NOW IN PAPERBACK From the author of *Pyongyang: A Journey in North Korea* and *Shenzhen: A Travelogue from China* comes *Burma Chronicles*, an informative look at a country that uses concealment and isolation as social control. It is drawn with Guy Delisle's minimal line, interspersed with wordless

vignettes and moments of his distinctive slapstick humor.
