Mike W. Barr : Camelot 3000 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Camelot 3000:

2 of 2 people found the following review helpful. You won't regret this purchase. By Becka Jane Somehow, back in the early eighties, my little brother and I got a copy of this graphic novel. We fought constantly over who was going to get to read it again next. Finally, our parents couldn't take it anymore and the book was confiscated. Never to be seen again. Now, over thirty years later, I have ordered two copies from . One for him and one for me. Problem solved. Lol.

The story and art work is still as amazing as I remember. I highly recommend this to any comic book fan. The only reason I gave it 4 stars instead of 5 is because I don't like the feel of the new slick shiny paper they used. Kinda loses it's nostalgic newspaper feel. But other than that I am excited to add it to my library. 0 of 0 people found the following review helpful. Great read
By Nicole
I think this is an interesting twist on the many versions of Arthur and his knights. I read this for my King Arthur class in college and it was a refreshing way to see how the story was presented. There are also many themes throughout the book and has multiple stories within it. It's a great example of how multiple forms of literature and media can present stories. 0 of 0 people found the following review helpful. One of the Best of DC's maxi series.
By Reviewer from Terra
I had this in it's original 12 issue run and now I have it on my Kindle. Featuring a tremendous retelling of Arthur's legend and absolutely beautiful artwork by Brian Bolland, as well as a few twists, this is a great book and I give it my highest recommendation.

In the year 3000, an armada of destructive aliens has unleashed an all-out assault on Earth and is poised to conquer the planet. But when a young boy stumbles upon the crypt of King Arthur, the legendary monarch and the Knights of the Round Table are magically reincarnated. Together once again, King Arthur, Sir Lancelot, Merlin, and the rest of the classic knights take on the invading extraterrestrials and their wicked leader, Morgan Le Fay, the half-sister of Arthur. A mythical tale of honor and bravery, CAMELOT 3000 proves that some heroes are timeless.

About the Author
Mike W. Barr has written for some of pop culture's most enduring icons, including Sherlock Holmes, Ellery Queen, Doc Savage, the Shadow, Captain America, the Hulk, Batman, Star Trek, Star Wars and The Simpsons. He's also created some icons of his own, including the comic book series CAMELOT 3000, BATMAN AND THE OUTSIDERS, The Maze Agency and Mantra. He has written for the online sites Icebox and Stan Lee Media (and lived to tell the tale), and co-created the web comic Sorcerer of Fortune. In 2003 Barr published the Star Trek novel Gemini, and he was a contributor to the Trek e-novel Mere Anarchy, published in 2009. His book on science fiction comics of the Silver Age, The Silver Age Sci-Fi Companion, was published in 2007 and was followed by the encyclopedic The Wolverine Files in 2009. In 2010 his original science fiction novel Majician/51 was released by the Invisible College Press. He lives in a house with too many cats and not enough books.
