Great collection of a great storyline By Brian Reaves When the Scourge first appeared in Marvel Comics, he was this terrifying entity. Here was a "hero" who hunted down villains and killed them in cold

blood, always leaving them with "Justice is served" as his parting statement. The character appeared across a few comics (all collected here) before settling in with Captain America as the main title to finish his story. Most of the villains who died were C and D level villains, but it was interesting at the time to see someone actually finishing out a few characters. The Scourge was a a master of disguise, and any random character in the story could suddenly pull a gun and kill the villain. It was a pretty interesting concept. Captain America's first real solo fight with Wolverine happens in this collection as well (before they team up, as all heroes eventually do). The only disappointing thing is the ending. I won't give it away, but a lot of fans were disappointed by the Scourge's ultimate identity when it was revealed. There was a lot Marvel could have done with this--and they did later when Jack Munroe (Nomad) was brought in as the new Scourge later in Thunderbolts--but ultimately they sort of cheated the ending. They even hinted to more for later, but never did anything for over a decade. This is a strong collection of Cap's run during the height of his popularity in the 80's. You can't miss with this one, even with the letdown at the ending. Just enjoy the ride and see how "justice is served". 2 of 2 people found the following review helpful. This was a blast!!! By Gimpdaddy1 This novel was excellent reading! It was more than just a collection of stories, it ultimately gave insight into the mind of the character. The last story especially helped you understand just how Captain America felt, and why he couldn't compromise who he was, and more importantly, what he believes!

Cap faces a Scourge on the Marvel Universe! A super villain serial killer is on the loose, marking every death with the enigmatic epitaph: "Justice is served!" As the bodies pile up, can the Living Legend take down this Scourge of the Underworld before there are no more criminals left to fight? And if Scourge wasn't enough, there's Blue Streak, Flag-Smasher and the Slug to contend with! Other heroes can be just as much trouble -like enthusiastic D-Man, savage Wolverine and misguided vigilante Super-Patriot! But the government itself might strike the final blow!

COLLECTING: VOLUME 13: CAPTAIN AMERICA (1968) 318-332, ANNUAL 8; AMAZING SPIDER-MAN (1963) 278; MATERIAL FROM MARVEL FANFARE (1982) 29, 31-32; SCOURGE SUBPLOT PAGES
