Michael Siglain : Captain America: The Tomorrow Army (A Mighty Marvel Chapter Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised Captain America: The Tomorrow Army (A Mighty Marvel Chapter Book):

0 of 0 people found the following review helpful. Great chapter bookBy DavidBought for my nephew for Christmas as he needed to read more chapter books for school. This book is more weighted on reading and the story line and a few

pages with comic imagery.0 of 0 people found the following review helpful. mighty fineBy M. Schlieterthe mighty marvel chapter books are so fun, and a must for your marvel fans who are just starting to read chapter books.0 of 0 people found the following review helpful. Five StarsBy MichaelItem arrived very quickly and was as described. Thanks! A+A+A+A+A+

Steve Rogers woke up in the 21st century and to a world full of modern technology and changes. He's still not comfortable about his new life except when he is Captain America. When S.H.I.E.L.D. learns HYDRA agents are on the rise and threatening the world's safety, Nick Fury calls on Steve to suit up and put an end to HYDRA's evil plans. But even the courageous Captain America isn't ready for HYDRA's new leader, Armin Zola, Cap's old foe resurrected as a powerful robot, and his plan to build a robotic army of Super-Soliders known as The Tomorrow Army to take over the world and destroy Captain America and SHEILD once and for all. Outmatched, Steve must now rely on help from others-namely Black Widow and Falcon-to face the thing he doesn't understand: a techno-villain who is twisting modern technology to his own evil purposes. The world's only hope is the courageous Captain America! Marvel chapter books are the perfect next steps for readers who have grown up on our World of Reading titles. These stories are character-driven tales in which much of the action-packed scenes unfold in colorful, fully-illustrated sequences, while the character and story development is conveyed in the clean, simple exposition that's perfect for young readers.
