Tara Butters, Michele Fazekas : Captain Marvel Vol. 1: Rise of Alpha Flight before purchasing it in order to gage whether or not it would be worth my time, and all praised Captain Marvel Vol. 1: Rise of Alpha Flight:

5 of 5 people found the following review helpful. A Good, Fun ReadBy NiedduccianoI've never read any Capt Marvel comics, before, but I liked this comic book. Each of the characters have a well-defined personality and sense of humor. I thought the story was interesting. Without having any context of this character at all (or even Alpha Flight, if we're

being honest), I was still able to enjoy it. I do feel, though, that people that are familiar with all of the characters' back stories will likely enjoy it more. 2 of 2 people found the following review helpful. a fun new direction for carolBy KayugaI enjoyed this story a lot. often, kelly sue deconnick struggled with quickly developing an exciting and interesting plot. the art is not my fave but the series has had far worse.i did not know alpha flight was already a thing and was not therefore dissapointed by their depiction. the humor was good and this new setting is promising. fun read, cant wait for more0 of 0 people found the following review helpful. Sci-fi ExcellenceBy ChaseFantastic and intriguing storyline with a perfect pace to the narrative. Great character moments sprinkled throughout. Carol and Alpha Flight go together like peanut butter and chocolate.

Face front, true believers! The Captain has made her return and oh, how mighty it is. It's a bold new frontier for Carol Danvers as she soars to new heights in her greatest mission yet-leader of the all-new Alpha Flight space program. Yup, Alpha Flight. As earth's first line of defense, Carol and her team aim to protect the planet from extraterrestrial threats. But can Carol be a soldier and a diplomat? Especially when an unknown enemy emerges that Carol can't quite punch. The superstar team behind Marvel's Agent Carter television series, Tara Butters and Michele Fazekas, make their comics debut alongside the awesomely-talented Kris Anka. COLLECTING: CAPTAIN MARVEL 1-5
