**Suzanne K. Powell MBA RN CCM CPHQ, Hussein A. Tahan DNSc RN CNA : Case Management: A Practical Guide for Education and Practice (NURSING CASE MANAGEMENT ( POWELL))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Case Management: A Practical Guide for Education and Practice (NURSING CASE MANAGEMENT ( POWELL)):

6 of 6 people found the following review helpful. Case ManagementBy Leahna Kim SteedI have not quite finished reading the entire book, not exactly light reading when trying to actually learn from all the information; however the information in the book is extremely helpful. The way the book is composed allows for information to flow in a logical and orderly manner and offers critical information which would be useful to anyone interested in entering the

case management arena or as an update for those already practicing. I am thrilled with this purchase. 11 of 11 people found the following review helpful. Reference guide By Cynthia H. This is like a bible for case managers. I keep it as a handy reference at my desk. Excellent for review of principles of practice. 1 of 1 people found the following review helpful. Educational By Ed Lots of good info if you desire a career in case management. Gives you a number of organizations to help get you on the right path toward providing quality health care to patients that are in need.

Written for new case managers, this book is a practical guide for nurses, social workers, and others responsible for coordinating and managing the care of the individual patient within the healthcare system. It is also used as a text for graduate level courses and an excellent 'prep' guide for the Case Management Certification (CCM) exam. Suzanne Powell and Hussein Tahan are co-authors of the Case Management Society of America (CMSA) Core Curriculum for Case Management. This Third Edition has new material on chronic disease management, information systems, and telehealth/telemedicine. New features include learning objectives and end-of-chapter study questions.
