**Linda Medley : Castle Waiting Vol. 2: The Definitive Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Castle Waiting Vol. 2: The Definitive Edition:

0 of 0 people found the following review helpful. An amazing continuation of a very quaint and comforting tale of ...By Timothy EhmAn amazing continuation of a very quaint and comforting tale of the daily lives of a great cast of characters. The character dynamics are so well built you cant wait to see what happens next. Hopefully the 3rd gripping installment receives enough funding. If you have the first you need the second volume of this wonderful story.0 of 0 people found the following review helpful. Wonderful sequelBy SaraIf you are a fan of graphic novels and pure fantasy then this is an excellent book. This is the sequel to the first Castle Waiting book and continues the story

of Jane. The story is told through black and white drawings and text. The book has a built in ribbon bookmark and is nicely bound. 4 of 4 people found the following review helpful. Worth the wait! By Jane I'm so glad to finally have the ending to the latest volume of Linda Medley's brilliant feminist fairytale! Definitely worth buying. The book is well bound and printed, not to mention a must-read for all ages.

This is the Criterion edition of the Fan-Favorite Feminist Fairy Tale, with additional story. With its long-awaited second volume, Linda Medley's witty and sublimely drawn fantasy eases into a relaxed comedy of manners as Lady Jain settles into her new life in Castle Waiting. Unexpected visitors result in the discovery and exploration of a secret passageway, not to mention an epic bowling tournament. A quest for ladies underpants, the identity of her baby son Pindar's father, the education of Simon, Rackham and Chess arguing about the manly arts, and an escape-prone goat are just a few of the elements in this delightful new volume. Characters, including Jain's earliest romantic entanglements and conflicts with her bratty older sisters, the horrific past of the enigmatic Dr. Fell, and more. Originally released in a slightly shorter version when the series ceased publication, this new edition includes over 60 pages worth of brand new additional story and epilogue, and the entire book has been re-lettered in a livelier, more inviting style for an even more engaging reading experience. Black white illustrations throughout

About the Author Linda Medley lives in Portland, OR, where she is currently working on the Castle Waiting series.
