Genevieve Valentine : Catwoman Vol. 7: Inheritance before purchasing it in order to gauge whether or not it would be worth my time, and all praised Catwoman Vol. 7: Inheritance:

0 of 2 people found the following review helpful. Four Stars By Tracey Switzer Very nice! 1 of 3 people found the following review helpful. Good By Eric Bakke I enjoyed it. It had a stunning, epic ending that I had not seen coming. One of the best Catwoman stories I have read.

Catwoman's life of crime reaches stunning new heights at the hands of writer Genevieve Valentine and David Messina. Selina Kyle, head of the Calabrese crime family, has survived a crime war with Black Mask and is managing an uneasy peace between the two factions. But old habits die hard. Upon hearing that Batman is dead, Catwoman goes on the prowl again in search of the Dark Knight. Can Selina lead a double life with her crime family nipping at her tail and Black Mask making moves to wipe the Calabrese family from Gotham? Catwoman's life continues to get muddled when the second Catwoman, a woman she has intimate knowledge of, takes it upon herself to safeguard Selina and train the upstart vigilante Spoiler. The cold war between Gotham's crime families heats up, and Selina must embrace her role or fall. But who is she, a crime lord or Catwoman? Collects the CATWOMAN Sneak Peak and issues #41-46.
