Paul Ruditis : Charmed Season 9 Volume 3 (Charmed Graphic Novel) before purchasing it in order to gage whether or not it would be worth my time, and all praised Charmed Season 9 Volume 3 (Charmed Graphic Novel):

This story arch is the best yet IMHO. *SPOILER ALERT* For all Cole and Prue fans this is the story arch for you. Even though Prue is back she isn't the same Prue we all know and love from the show. Cole on the other hand is trying to once again escape his past so he can move onto his afterlife. We also learn a little

more of Coop's history and how cupid's come to be. Leo learns about his new weapon and still has to face an old enemy. We see more of the Charmed children in this story arch compared to the other ones. While all the children except for Henry Jr. are magical he ends up giving the reader a surprise at the end. *END SPOILER ALERT* If you're a true Charmed fan this is the book for you. I can not give it the full five stars because some of the artist leave a lot to be desired, but if you can look past the art work you will be taken back to the world of Charmed in no time. 1 of 1 people found the following review helpful. Bought for my wife By Nicholas Calderone I have no clue what these books are about. I know my wife loves them so I bought them for her. She loves them so I guess It gets five stars. 0 of 0 people found the following review helpful. If you loved the Charmed TV series this is a continuation of ... By Ramona Willis If you loved the Charmed TV series this is a continuation of their lives. It was hard to read at first but I read them all again and then passed them on to my niece and when she's finished she will pass them on to her mom to read.

The years have passed quickly for The Charmed Ones since they learned of their magical heritage. In only one decade they have experienced so much love and loss, joy and sorrow, failure and success. But time marches on and new challenges will be met as Phoebe is haunted by her past, Piper must deal with the present, and Paige is forced to cope with the future. But none of those events will prepare them to face the truth behind a family secret that could change everything for the Warren line!
