Saburouta : Citrus Vol. 2 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Citrus Vol. 2:

5 of 5 people found the following review helpful. Rivals, Family, and attraction. By Anime Lover Yuzu has not been herself since the incident in the student council office and she cannot face Mei. When she gets called out by the Vice-president and asked about their relationship. It appears the VP also has a thing for Mei and will do anything to get her for herself. But Mei has been running herself ragged as her grandfather is still recovering from his accident, can Yuzu and Momokino set aside their issues and try to help Mei in her time of need? Then Mei's father returns from overseas, and Yuzu is caught in the middle of a father/daughter feud. Can she help her little sister patch things up before their family begins to crumble? This second book has a lot of character development and back story revelations, from a rival

for Mei's love to seeing why Mei is the way she has become (and find out she likes bears). All the while you feel the tension between Mei and Yuzu as the two feel drawn to each other, but not understanding why and not sure as to how to move forward as they are in a tentative position of being family. Will have to wait for the next installment to see what happens next, especially with someone from Yuzu's past entering the picture. 0 of 0 people found the following review helpful. Five Stars By Raven V. Smith Yuri 0 of 0 people found the following review helpful. Citrus volume 2 was just as good as volume one. By ali Citrus volume 2 was just as good as volume one. The relationship between mei and Yuzu grows and they become closer than before. Saburouta always puts at least one yuri scene per chapter, which is pretty nice. The visuals are amazing as ever and the first 2 colored pages look really nice.

A yuri tale like no other, now a New York Times manga best seller! Yuzu and Mei may be step-sisters, but that's about all the two girls have in common. Yuzu is an outgoing girly-girl who cares more about fashion than school work, while Mei is the serious student council president. Yet despite their differences, or perhaps because of them, the two girls find themselves drawn to each other... Mei has been running herself ragged trying to oversee the school, and Yuzu is worried about her. When Mei's dad comes home from a business trip, however, it looks like the cavalry has arrived. Unfortunately, his presence opens up old wounds between father and daughter, and Yuzu finds herself caught in the middle. Will Yuzu put aside her feelings for Mei to help fix this family feud?
