Reginald Hudlin : Civil War: Black Panther (New Printing) before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War: Black Panther (New Printing):

0 of 0 people found the following review helpful. Minor addition to the Story line, but good writing. By Adam Shields I have not read any Black Panther (and really very view comics) before this. I was interested in Black Panther because Coates is working on him and I like Coates writing. Before I read this I read the Black Panther: Who is the Black Panther collection. That collection is okay, but did not engage me all that much. I thought this was much more

interesting and I was intrigued by the marriage between Black Panther and Storm. I am tempted to get a Marvel Unlimited account now to try read through the backstories. My main complaint about the Civil War series, and I have read a good bit of it, but not all, is that it has not made Iron Man's case strong enough. There is not a real balance to the story. (Spoiler Alert) But I think Black Panther considering working with his enemies to counter Iron Man does more to balance the story than the positive case for Iron Man does. (Although Mr Fantastic's reasoning isn't horrible.) 0 of 0 people found the following review helpful. Better than most By J. Dawson I enjoyed this civil war installment more than most of the others. It was also my first exposure to black panther and I am now a fan 0 of 0 people found the following review helpful. Five Stars By AlFun to read.

The royal couple, King T'Challa and Queen Ororo, embark on a diplomatic tour that will have them spanning the globe - and beyond! Stops include Latveria (Dr. Doom), the Moon (Black Bolt and the Inhumans), Atlantis (Namor the Sub-Mariner) and the Civil War-ravaged United States, for a meeting with none other than the point man for the U.S. government's implementation of the Super Human Registration Act: Tony Stark, T'Challa's former Avengers teammate! Will the Black Panther and Storm decide to get off the sidelines of the superhuman Civil War and get involved? COLLECTING: BLACK PANTHER 19-25
