**Christos Gage : Civil War II: Amazing Spider-Man (Marvel Universe Event)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War II: Amazing Spider-Man (Marvel Universe Event):

3 of 3 people found the following review helpful. Fantastic Spidey story with little to do with Civil War II By SpideyHas very little to do with Civil War II except that Ulysses is in the first issue. Which I think is probably a good thing because this was far better than most comic book event tie-in stories. Gage was woven an interesting tale of

redemption and personal responsibility. Spider-Man takes Ulysses out to show him the ropes and get a feel of what his powers really can do. Ulysses sees that one of Peter's employees will become Clash again in the future. So does knowing the future cause the future to happen because it changes how one acts? Clash is a very interesting, complex character and I look forward to seeing more of him. The story is only 4 issues with the last 2 issues a reprint from a couple of years ago detailing how Clash gets hired by Peter Parker. 0 of 5 people found the following review helpful. Four Stars By ray t. smith THIS WAS A GIFT

Where does Spider-Man stand on predictive justice? Well, just think of what it would have done for Uncle Ben. Spider-Man goes one on one with the Profiler and you see the full impact of Civil War II on the Amazing Spider-Man's life. COLLECTING: Civil War: Amazing Spider-Man II 1-4, Amazing Spider-Man (2014) 7-8 (A stories)
